MID TERM 2

2025 NEWSLETTER

How time flies! We are halfway through the term. The going is tough but we have to stay optimistic and continue persevering and being resilient. I hope you will be able to relax over the Half Term.

The second half will be action packed and equally demanding. We look forward to complete all the schemed and planned academic work, fulfilling all co-curricular and cultural activities, and evaluate progress made by closure of term. I therefore encourage everyone, be they staff, learners, parents and guardians to remain focused and committed to raising all round performance.

We need to keep communication alive. Please take time to read the few items of information and reminders in this newsletter.
